Are enclosed herewith.

U.S. Application Serial No. 09/137,383, filed August 20, 1998 (cited in IDS filed January 18, 2001) was filed as a PCT International Application on August 20, 1998, receiving International Application No. PCT/US98/17278; which was later filed in the United Kingdom on February 7, 2000, receiving Patent Application No. 0002745.8 (granted as GB Patent 2,343,801), and in Singapore on February 2, 2000, receiving Patent Application No. 2 000 00552-0 (granted on May 22, 2001).

Submission of the above information is not intended as an admission that any item is citable under the statutes or rules to support a rejection, that any item disclosed represents analogous art, or that those skilled in the art would refer to or recognize the pertinence of any reference without the benefit of hindsight, nor should an inference be drawn as to the pertinence of the references based on the order in which they are presented. Submission of this statement should not be taken as an indication that a search has been conducted, or that no better art exists.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application and the references made of record therein.
